ABSTRACT

The woman is always the most discussed topic in almost all the countries of the world and in whole the history of the universe. Some groups talk against her and some groups fight for her rights. Even, now a day in few regions of the world woman is living in a very disgusting condition and at the same time she is enjoying the beauty, adornments and luxury of the world with equal status as the man. In Asian as well as American society woman is considered as the main component of the house and at the same time she has a responsible to run the house. This research is about the poem "Woman Work" by Maya Angelou in which the poetess has conferred the busy life of the woman in the house.
